FOLD IT TOGETHER

As part of our "TOGETHER WE HOPE" campaign, we invite the public to participate in our "FOLD IT TOGETHER" project during the month of October.

Fold your favorite origami animal, then share your message of hope for the future with friends and family using the hashtag #foldittogether. Drop off your animal at Kaladi Brothers Downtown. All submissions will be strung together into a community art mobile in the PAC lobby during December.

CONNECT

INSPIRE

TOGETHER WE HOPE
